

Hampton Roads Hispanic Chamber of Commerce

At HRHCC, Service and Leadership in our community are synonymous with where we've been and where we're headed. Our organization was founded in 2003 as the Peninsula Tidewater Hispanic Chamber of Commerce, a 501(c)(6) non-profit membership based organization, by a group of visionary women whose main goal was to connect the Latino/Hispanic business community to the non-Hispanic consumer base. In 2005 we emerged as the Hampton Roads Hispanic Chamber of Commerce (HRHCC), to better serve the Latino/Hispanic business community of Hampton Roads.
